## The Prince El Hassan bin Talal Covid-19 Relief Campaign

To mark the birthday of our beloved Chairman and Founder, HRH Prince El Hassan bin Talal, the management, staff and students of the family of organisations affiliated with HRH Prince El Hassan – from The Royal Scientific Society, Princess Sumaya University for Technology, and the Amman Baccalaureate School, along with colleagues at our partner organisations, the Higher Council for Science and Technology and The Jordan Museum, and all the sister organisations hosted at the El Hassan Science City and beyond – have launched a fundraising campaign to support the national effort in the current Covid-19 emergency.

We recognise that there are so many of you who would wish to mark this special day in some way. All contributions will go towards the relief of the emergency facing the Kingdom, and will symbolize our unity of purpose and our shared pride in our wonderful and collaborative citizens. We hope that this fundraising effort may contribute to the urgent national response and celebrate in the most appropriate way, the birthday and vision of our embracing and far-sighted Founder.
